

Chag Sameach (Happy Holiday!)

Thank you for joining our family for Passover. Let's Gather around the table and recount the story of the Jews leaving Egypt together. There are a thousand traditions from every corner of the world and every family has their own ways of bringing the story to life. Here at the JewFro table, we have many rich traditions, and have created some new ones as well. We invite you to join us and celebrate the deliciousness of seasonal, non-traditional takes on tradition. We hope you love them!!
